ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
HINSDALE, N. H.

FOR THE YEAR ENDING
DECEMBER 31, 1978

DEDICATION

The Hinsdale Board of Selectmen, on behalf of the Town and all our citizens, proudly dedicate this 1978 Town Report to Michael Bolden, who for more than 30 years unselfishly devoted his time, energy, and ability as Grand Marshal of the Annual Memorial Day Parade and Programs.

We want the townspeople to know that Michael's hard work and sacrifices for the benefit of us all have not gone unnoticed.

Michael, we extend to you our deep and sincere appreciation for a job excellently done.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Hinsdale, New Hampshire 03451

Members of The Board:

Submitted herewith is the report of an examination of the accounts of the Town of Hinsdale for the year ended December 31, 1977, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the Town's permanent records.

FINANCIAL STATEMENTS

Analysis of Change in Fund Balance: (Exhibit A-2)

On a budgetary basis the change in Fund Balance is summarized as follows:

Appropriated:

Fund Balance Applied to Finance 1977 Operations	(\$ 8,070)
Balances of 1977 Special Appropriations	<u>2,096</u>
	(\$ 5,974)

Unappropriated:

Revenues in Excess of Estimates	\$148,791
Net Unexpended Balances of Appropriations	2,738
Beginning Fund Balance Used to Reduce Tax Rate	(<u>40,000</u>)

111,529

Net Increase In Fund Balance

\$105,555

SPECIAL REVENUE FUNDS:

Federal Revenue Sharing Funds: (Exhibit C-2)

The Town received approximately \$45,700 of Federal Revenue Sharing and interest during the current year. Approximately \$47,700 was transferred to the General Fund for expenditures, leaving an unexpended balance of approximately \$13,500 for future uses which must be expended within 24 months of receipt.

ENTERPRISE FUNDS:

Sewer Department: (Exhibits D-1 and D-2)

The Town does not maintain a complete listing of property and equipment in the Sewer Department and does not record related depreciation charges against current revenues. Therefore, we are unable to express an opinion as to the fairness of the balance sheet or statement of operations and changes in Fund Balance for the current year.

Water Department - December 31, 1977 and 1976: (Exhibits E-1 and E-2)

The retained earnings deficit of the Water Department increased from \$104,252 to \$110,408 during the year. The increase is due to a net loss of \$6,156 for the year ended December 31, 1977 as compared to a net income of \$2,905 for the prior year.

During the year ended December 31, 1977 operating revenues increased by approximately \$4,000 while operating expenses increased by approximately \$11,000. The increase in expenditures can be traced primarily to increases in superintendent's salaries, cost of power and water supply repairs during the year.

LONG-TERM DEBT GROUP OF ACCOUNTS:

Statement of Long-Term Debt as of December 31, 1977: (Exhibit F)

The outstanding long-term debt of the Town has a net increase of \$5,828 to \$230,955 at December 31, 1977.

DEBT-SERVICE FUND:

Statement of Revenues, Expenditures and Changes in Fund Balance -
For The Year Ended December 31, 1977: (Exhibit G)

The Town appropriated approximately \$42,000 for principal and \$14,000 for interest payments for the current year for redemption of serial notes covering several projects dating back to 1972.

GENERAL COMMENTS AND RECOMMENDATIONS

Water and Sewer Departments:

As in prior years, the audit disclosed several variances from statutory provisions of law regarding the Water and Sewer Departments. At the present time one Commissioner serves as Commissioner, Rents Collector, Accountant and Treasurer. Warrants are not issued by the Commission to the Collector. No formal abatement procedure is used regarding abatement of rent charges.

We repeat the following statutes covering the above variances which are quoted as follows:

"R.S.A. 252:19 Establishment. Duties, any town or village district which adopts the provisions of this chapter may, at the time of such adoption or afterwards, vote to establish a board of sewer commissioners, consisting of three members, which board of shall perform all the duties and possess all the powers in the town or district otherwise hereby conferred upon the Selectmen."

"R.S.A. 41:4 Incompatibility of Offices. No person shall at the same time hold any two of the following offices: selectmen, treasurer, moderator, trustee of trust funds, collector of taxes, auditor...."

Comment:

From the above statutes it seems clear that the Commissioner can not serve as Commissioner, Treasurer and Collector of Rents at the same time.

Regarding sewer rental collections, the following statute is quoted:

"R.S.A. 252:13 Collection of Assessments or Rentals. They shall be committed to the collector of taxes, with a warrant under the hands and seal of the mayor and aldermen requiring him to collect them; and he shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes."

Recommendations:

It is therefore recommended that the Commissioners commit such sewer rents to the tax collector by warrant under their hands and seal as required by the statute.

In reference to abatements of sewer rents, the following applies:

"R.S.A. 252:14 Abatement of Assessment. For good cause shown, the mayor and aldermen may abate any such assessment made by them or by their predecessors."

"R.S.A. 252:16 Correction of Assessments. If any error is made in any such assessment it may be corrected by the mayor and aldermen by making an abatement and a new assessment, or either, as the case may

require; and the same lien, rights, liabilities and remedies shall attach to the new assessment as to the original."

"R.S.A. 44:2 Provisions Applicable. All provisions of statutes, now made or hereafter enacted relating to towns, shall be understood to apply to cities; and all provisions relating to selectmen...shall be construed to apply to the mayor and aldermen... unless a different intention appears."

Recommendations:

We recommend that a formal abatement procedure be adopted in accordance with statutory requirements. All sewer and water rental collections must be remitted to the Town Treasurer in accordance with the following statute:

"R.S.A. 41:27 Duties. The town treasurer shall have custody of all monies belonging to the town, and shall pay out the same only upon orders from the selectmen....The town treasurer shall keep in suitable books provided for the purpose, a fair and correct account of all sums received into and paid from the town treasury...."

Recommendations:

In view of the above statutes, it is recommended that the Commissioners immediately transfer the duties now performed by one Commissioner to the proper officials as required by statute and appoint a Collector of Water Rents and make proper commitment of water rents to said Collector under the hands and seal of the Commissioners.

It is further recommended that all receipts be reported in total and all refunds of overpayments be recorded in order that all transactions of the department be properly recorded.

Application of The Municipal Budget Law:

In towns operating under the Municipal Budget Law, R.S.A. 32:5 as amended provides that "...all moneys appropriated by the town,...shall be stipulated in the budget on a "gross" basis, showing revenues from all sources, including grants, gifts, bequests and bond issues, as offsetting revenues to appropriations affected"

In the past the Town of Hinsdale has appropriated on a net basis for expenses in planning and constructing the Sewerage Treatment Plant, (Article 29, 1975 and Article 12, 1977). In these articles the Town has appropriated only 25% of the cost of the project. They have not appropriated the expected federal grant nor voted on an article allowing them to borrow the federal share.

Recommendation:

We recommend that the Town appropriate all future expenditures for the Sewerage Treatment Plant on a gross basis in accordance with the Municipal Budget Act.

Yield Tax Warrants:

The Selectmen of Hinsdale have been issuing Yield Tax Warrants net of Yield Tax Deposits. The Selectmen have been considering the deposits made by persons cutting timber as a part payment of their tax liabilities.

Recommendation:

It was recommended that the Selectmen issue warrants for the correct amount of the tax and then transmit the deposit to the Tax Collector as part payment of the tax.

Conclusion:

The provisions of Chapter 71-A, Section 19-III, require that the Auditors' summary of findings and recommendations shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Town of Hinsdale for their assistance during the course of the audit.

The library is now open 2 1/2 hours more per week due to the increase in the population of our town. Our library also offers other services such as delivering books to housebound patrons, for patrons who lack transporation we will pick up the patrons and bring them to the library so they may choose their own reading matter.

I would like to establish a permanent childrens story hour but I would need help for this project. The Story Hour would be in a six week section, with a two week period in between to prepare for the next section. A date will be published in the papers as to when the program will begin.

The Trustees and I would like to thank our new substitute and volunteer, Mr. William Dunn for all the hours of work he has so unselfishly contributed to our library. Another invaluable volunteer Mrs. Barbara Keck, is helping me with the never ending typing and paperwork. We greatly appreciate their sacrifices and efforts.

The Trustees and I would like to thank all of our patrons who bring paperback books westerns, mysteries, Harlequins to share with other patrons. Many townspeople have generously given reference books to the library which has helped to keep up to date on the newest topics and subject matters. The price of books have increased one third over the last two years.

REPORT OF THE HINSDALE CONSERVATION COMMISSION

1978

This year, the Commission supervised the construction of the multi-use court at Heritage Park. Although construction started later than planned the court realized much activities in the fall months. We look forward to expanding the activities on the court surface with the addition of lines. This will delineate each playing court.

This past fall we began to spread loam for spring seeding. This will be completed in the spring.

The Commission this year asks for monies to complete the park. An article for paving the parking lot will not only provide a durable long lasting surface but also curb a dust problem. Dust creates not only a problem for the Park's neighbors, but also the pool filter at the Playground.

Incorporated in this article are monies for chain link fencing to act as a tennis backstop.

Secondly we ask for money to light the Multi-Use court for winter skating as well as early evening recreation in the summer.

Our project scope date has been extended through December 1979 and the Commission would like all to realize that this year the project at Heritage Park will be completed.

The Conservation Commission has enjoyed developing Heritage Park. Further recreational development is not planned for the immediate future, but the Bureau of Outdoor Recreation has assured us that the Town could apply for funding for a new project at Heritage Park if it wishes.

HINSDALE POLICE DEPARTMENT
1978

To the Citizen of the Town of Hinsdale:

I herewith submit my report for the Police Department covering the year 31, December 1978.

Again this year has been a busy one for the Hinsdale Police Department with an increase in calls and complaints that were answered and the ever increasing demand for services which we had tried to keep in pace with. Our town is growing every year with new people and new problems. Our traffic has increased and there has been an increase in accidents compared to 1977. In 1978 the Police Department brought forth to the Hinsdale Municipal Court a total of 247 Complaints as compared to 1977 of 319 those complaints are listed below as well as the calls answered by the cruiser.

HINSDALE PUBLIC HEALTH NURSING ASSOCIATION

1978

Following is a report of the activities of the Association from January 1 to December 31, 1978.

Home visits to patients and health promotion: 421

A pre school hearing and vision screening program was conducted at the Elementary School in May with children being tested and any defects referred for correction.

A general immunization clinic was held at the school in June.

Blood Pressure clinics have been held on a monthly bases with all ages welcome. In Oct., a Blood Pressure clinic was held in the evening.

A diabetic screening program was held in December. W.I.C. (Women, Infants, & Children) clinics have been held on a monthly bases.

A Red Cross blood drawing was held in April and November with volunteers from the Nursing Association, Lions Club, and Community.

I have attended several work shops throughout the year. I attend the discharge planning sessions at Brattleboro Memorial Hospital approximately every 4 - 6 weeks. I participated in the Health Fair held at Keene State College in October.

At the present time, I am participating in the Hospice Committee - Brattleboro Area. Monthly meetings of the Association have been held. It is vital to any organization to have more active community support. If anyone is interested please call 336-5458.

Thank you everyone who has helped in carrying out this year's work.

Respectfully submitted,

Mary A. Wilson, R.N.

REPORT OF THE HINSDALE CIVIL DEFENSE
AND
SURPLUS EQUIPMENT DIRECTOR

Your Hinsdale Civilian Defense Agency, although rarely in the limelight, has been very active on behalf of our community in 1978.

The highlight of the year was obtaining through the State C.D. Agency a 1952 Dodge, 3/4 ton Army weapons carrier, complete with heavy duty hauling winch, which our volunteer fire department will put to good use. This at no cost to the taxpayer.

Our Hinsdale C. D. officials traveled to Concord on several occasions to meet with State C. D. officers and we have an excellent repore both at the State and Federal level. This is to our advantage in time of emergency or diaster.

Through the surplus equipment program we obtained equipment, furniture, and other materials, including tools, which were distributed to the fire dept., highway dept., cemetery sexton, nurse's association, tax collector, water and sewer dept. and our own C. D. program.

During 1979 we will be concentrating on a new, up-to-date evacuation plan for the town in case of a very serious emergency or diaster. We must be prepared.

The Hinsdale Civilian Defense agency is always looking for citizen imput and we would be pleased to accept any suggestions and help from local residents.

Our office in the Town Hall is always open by appointment and I will be happy to meet with anyone at our mutual convenience.

Respectfully submitted,

Ralph Simonds, Director

REPORT OF THE HINSDALE BOARD OF ADJUSTMENT

The Board held eleven regular meetings and three special meetings by request of Hinsdale Selectmen. The special meetings were joint meetings with the Planning Board, Board of Adjustment, and the Selectmen.

At these special meetings we all tried to define more clearly our by-laws and agreed that some of our by-laws had to be revised and rewritten to catch up with the growth of the town, and the modern times.

During our eleven regular meetings we heard twenty-five cases and one appeal. Our February meeting was called off because of blizzard snow conditions. The one appeal was approved and twenty-three cases were approved many subject to Planning Board approval. Two cases were denied and one case was held over to January 1979 with no decision made until more information was received.

Election of officers was held at the March meeting. Charles Rosploch, Jr. was elected Chairman, and Richard Corr was elected Co-Chairman. Maryann Wallace was elected Secretary. A new alternate was elected in December, James Kirkwood. Our thanks to everyone who has been so helpful to us in our year of work.

REPORT OF THE HINSDALE PLANNING BOARD

1978

The Hinsdale Planning Board acted on sixteen sub-divisions. Six major and ten minor applications were processed and passed.

Site-Plan-Review applications were in greater numbers this year than in the past several years. The Board reviewed eight Site-Plans which were passed.

Rolling Hills, the 60 unit complex for the elderly, is one example of the efforts of your Planning Board.

Due to the rapid growth and development in Hinsdale, the Planning Board urges the Townspeople to consider a favorable vote for the joining of the Southwestern New Hampshire Regional Planning Commission and the funds to support its work.

The Planning Board feels that the Town Zoning Ordinance should be updated and we urgently request the Townspeople to approve the article submitted in the Town Warrant.

Most important is the support of the Hinsdale residents through participation in the Boards activities, suggestions for improvement and criticism of our efforts.

I would like to thank the Board members and the Townspeople for their inspired work in the past year.

Respectfully submitted,

Stephen Kowalski, Chairman
Planning Board

Members of the Board:

HINSDALE PLAYGROUND COMMITTEE
1978 REPORT

In 1978 the Hinsdale Summer Playground Program was directed by Wayne A. Miller, Sr. and ran from June 26th through August 11th. There was no registration fee or charge per week for the children in the program.

The average daily attendance was estimated to be about 40 and the range was from 20 to 90.

Mr. Wayne Miller, with the aid of four assistants, instructed, guided, and supervised the daily activities.

The highlights of the Summer Program were the, July 4th Bake Sale, 50 Children going on a 4 mile day into Pisgah State Forest with a hot dog roast at Fullam Pond, a group of 8 going on a three day backpacking trip into Massachusetts and hiking several miles along the Metacomet-Monadnock Trail.

The culminating activities for the summer were a whiffle ball game and a hot dog roast.

This coming summer Mr. Miller plans to extend and increase outdoor recreational sports and activities to include, outdoor cookouts, more day hikes and several 2 and 3 overnight backpacking trips along area trails.

During 1978 much necessary work and repairs were accomplished at the playground area, such as; complete refurbishing of the swimming pool and installation of a new filter; repair and painting of the storage sheds, repair and boarding up the windows in the field house and all lavatories were fixed or replaced.

This spring a new automatic chlorinator will be installed at the swimming pool to insure that the water is always pure and safe.

The playground committee composed of Joe Doucette, David Freitas, Mary Catozzi, and Richard Willette, along with a great many helpful volunteers, did a remarkable and excellent job on the Forth of July Celebration. They made more profit than ever before and our sincere gratitude is hereby extended to them.

The playground committee is desperately in need of interested people to serve with them to make our playground program and grounds the best in the area. Interested citizens may contact the Selectmen's Office and we will be pleased to hear from you.

Respectfully submitted,
Paul P. Sprague, Selectman
